Goat Island

The Mahone Islands Conservation Association (MICA) is pleased to welcome you to our thirteenth annual Gala Dinner and Auction.

Thanks to our auction donors, corporate sponsors, the organizing committee, volunteers, directors and attendees, the event continues to get bigger and better each year.

Prior year auctions along with fundraising campaigns have helped MICA raise over \$1,200,000 for partnered island acquisitions to date, including Squid Island in the current year. This year's proceeds will be set aside for future island or shoreline special projects.

MICA also would like to acknowledge John McLellan for the generous donation of Goat Island during the year.

The MICA board is working hard to bring additional properties into public ownership and will update you as special projects materialize. Please enjoy the evening and thank you again to everyone for your continued support.
